Easter Sunday of the
Resurrection of the Lord

He is Risen

Happy Easter!

One of the prayers from the great Easter Vigil reads, "Father, even today we see the wonders of the miracles you worked long ago. You once saved a single nation from slavery, and now you offer that salvation to all through baptism."

Today, even in the midst of conflict and division, we still see the seeds of peace. Even in the midst of poverty and suffering, we still see the seeds of generosity. Even in the midst of worry and despair, we still see the seeds of hope.

God's miracles are still changing the world. The Good News of the Resurrection still lives in the hearts of God's people. The power of Easter is still changing hearts. The Light shines in the darkness, and the darkness shall not overcome it!

Each year, at Easter, we renew our Baptismal Promises. We renew our commitment to be God's light for the present generation. We renew our resolve to allow God to work his miracles through us.

At the Easter Vigil we continue our prayers in these words, "Lord God, you have brightened this night with the radiance of the risen Christ." May the risen Christ continue to brighten your lives so that others will see Christ shining through you. May the risen Christ renew your hope for salvation so that you may be hope for others. May the risen Christ bless you so that you, in turn, will be a blessing to others.
