Church Refreshing Project

As Fr. Derk announced at last weekend's masses, we will begin a much needed "Church Refreshing" Project beginning the first week of May. This entails new tile work and painting. Since the tiles are needing to be replaced, all the pews will be removed. We will also be changing our current lighting system to a more energy-efficient LED system. This will save us a lot of money on our electric bills. Much of our technology equipment is 22 years old. Some are beginning to fail and others are needing to be replaced. With all these projects going on, we will celebrate mass in the Parish Hall until the project is completed. Our first weekend masses in the Parish Hall will be May 4-5. Keep your eyes on announcements in the bulletin, on the website, and social media for updates.

WELCOME NEW PARISHIONERS We are glad you are here! Register today! Registration forms can be found in the narthex, front office, our website at www.stspp.net/forms or by following the QR code. Online registration is also available.
